

Welcome and introduction

Welcome and introduction

**23 November
2023
08:00 - 08:10**

**Location
Chairs**

Plenary
D.J. Ralph, London (GB)
A. Minervini, Florence (IT)
A. Cocci, Florence (IT)

Plenary Session 1: Hormonal and non-hormonal pharmaceutical agents for the amelioration of male infertility

ESAU Plenary Session 1

**23 November
2023
14:10 - 16:30**

**Location
Chairs**
Aula Magna
N. Sofikitis, Ioannina (GR)
A. Giwercman, Malmö (SE)

- | | |
|----------------------|---|
| 14:10 - 14:30 | Is there a role for gonadotropin administration in infertile oligospermic men with eugonadotropic or hypergonadotropic hypogonadism?
S. Minhas, London (GB) |
| 14:30 - 14:50 | Non-reproductive effects of follicle stimulating hormone in males
A. Giwercman, Malmö (SE) |
| 14:50 - 15:10 | Hormonal therapy and improvement in sperm retrieval rates in men with non-obstructive azoospermia: Fact or Fiction?
S. Minhas, London (GB) |
| 15:10 - 15:30 | The efficacy of aromatase inhibitors in infertile oligospermic men with and without abnormal testosterone to estradiol ratios
G.I. Russo, Catania (IT) |
| 15:30 - 15:50 | Is there an impact of endogenous /exogenous hormones and endocrine disruptors in the development of testicular cancer?
M. Dinkelman-Smit, Rotterdam (NL) |
| 15:50 - 16:10 | Do selective estrogen receptor modulators have a role for the management of oligozoospermic infertile males?
A. Zachariou, Volos (GR) |
| 16:10 - 16:30 | Delivery of lifestyle advice is a potentially important option for the treatment of male infertility
A. Salonia, Milan (IT) |

Plenary Session 2: State of The Art Lectures

ESAU Plenary Session 2

**23 November
2023
16:30 - 17:40**

Location Aula Magna
Chairs P. Verze, Naples (IT)
A. Cocci, Florence (IT)

16:30 - 17:00

Sexual Health in HIV-Positive Men Under Stable Antiretroviral Therapy

T. Diemer, Giessen (DE)

17:00 - 17:30

Philosophical, endocrinological and financial consequences of testicular descent in the mammals and the human

N. Sofikitis, Ioannina (GR)

17:30 - 17:40

Discussion

Plenary Session 1

Plenary Session 1

**23 November
2023
08:10 - 08:50**

Location Plenary
Chairs J. Romero-Otero, Madrid (ES)
O. Sedigh, Turin (IT)

08:10 - 08:20	Psychosexual counselling for patients attending penile prosthesis implants G. Polloni,
08:20 - 08:30	Re-Implant of Penile Prosthesis R. Djinovic, Belgrade (RS)
08:30 - 08:40	Management of the “error” during Penile Implant Procedure A. Kadioglu, Istanbul (TR)
08:40 - 08:50	Management of penile prosthesis infection M.Y. Ortega González, La Laguna (ES)

ESAU Plenary Session 3: Testosterone as a Source of Youth and Energy for The Male

ESAU Plenary Session 3

**24 November
2023
09:00 - 11:10**

**Location
Chairs**

Aula Magna
M. Dinkelman-Smit, Rotterdam (NL)
A. Salonia, Milan (IT)

09:00 - 09:20

The role of testosterone in spermatogenesis and spermiogenesis
P. Capogrosso, Milan (IT)

09:20 - 09:40

Testosterone and libido
A. Kadioglu, Istanbul (TR)

09:40 - 10:00

Testosterone and erectile function
C. Bettocchi, Bari (IT)

10:00 - 10:20

Indications for administration of testosterone
M. Dinkelman-Smit, Rotterdam (NL)

10:20 - 10:40

Contraindications for administration of testosterone
G.I. Russo, Catania (IT)

10:40 - 11:10

Discussion

Plenary Session 4 - Debate: Effects of antioxidants on sperm parameters in infertile males

ESAU Plenary Session 4

**24 November
2023
11:10 - 12:10**

**Location
Chairs**

Aula Magna
S. Minhas, London (GB)
A. Muneer, London (GB)

11:10 - 11:25

Probably Beneficial
G.I. Russo, Catania (IT)

11:25 - 11:40

Probably Detrimental
F. Dimitriadis, Thessaloniki (GR)

11:40 - 12:10

Discussion

Plenary Session 5: State of The Art lectures

ESAU Plenary Session 5

**24 November
2023
13:40 - 14:30**

**Location
Chairs**

Aula Magna
C. Bettocchi, Bari (IT)
G.I. Russo, Catania (IT)

13:40 - 14:00

Which is the best graft for the surgery of Peyronie disease?
To be confirmed

14:00 - 14:05

Discussion

14:05 - 14:25

Covid-19: Effects on male reproductive potential
A. Salonia, Milan (IT)

14:25 - 14:30

Discussion

Best abstract session

ESAU best abstract session

24 November
2023
12:10 - 13:00

Location Aula Magna
Chairs F. Dimitriadis, Thessaloniki (GR)
S. Minhas, London (GB)

- V06** **Male-to-Female (MtoF) gender affirming surgery: M-shape neoclitorolaboplasty approach**
Authors: Lo Re M.¹, Pezzoli M.¹, Pizziconi V.², Bardina Galiana L.¹, Romano A.¹, Minervini A.¹, Morelli G.³, Cocci A.¹
Institutes: ¹AOU Careggi, Dept. of Urology, Florence, Italy, ²Ospedale Santa Maria Annunziata, Dept. of Urology, Florence, Italy, ³Casa di Cura San Rossore, Dept. of Urology, Pisa, Italy
- V03** **Re-implantation of a hydraulic erectile prosthesis into a neophallus via bilateral inguinoscrotal approach**
Authors: von Stauffenberg F.¹, Hunziker M.¹, Eberli D.¹, Daverio P.J.², Högger D.C.¹
Institutes: ¹University Hospital Zürich, Dept. of Urology, Zürich, Switzerland, ²Daverio TRANSsurgery Group, Dept. of Reconstructive Surgery, Walchwil, Switzerland
- V01** **Unforeseen outcome in hydrocele repair: Implications of three-piece inflatable penile prosthesis placement**
Authors: Pasyar A.¹, Megson M.¹, Tagdiwala P.¹, Kohler T.², Ralph D.J.¹, Lee W.G.¹
Institutes: ¹UCLH, Dept. of Urology, London, United Kingdom, ²Mayo Clinic, Dept. of Urology, Minnesota, United States of America
- P32** **Regenerative technologies in corporeplasty with pericardial allograft in Peyronie's disease**
Authors: Pavlov V., Kazikhinurov R., Kazikhinurov A., Khasanov A., Kazikhinurov R.
Institutes: Bashkir State Medical University, Dept. of Urology, Ufa, Russia
- P06** **Multi-Incision Technique (MIT) and malleable prosthesis implantation in patients with Peyronie's Disease and severe penile shortening, with or without preoperative erectile dysfunction: A multicenter retrospective study**
Authors: Maiolino G.¹, Fraile Poblador A.², Fernández-Pascual E.³, Hevia Palacios M.², Martínez-Salamanca J.I.¹
Institutes: ¹The Lyx Institution, Dept. of Urology, Madrid, Spain, ²Ramon y Cajal Hospital, Dept. of Urology, Madrid, Spain, ³La Paz University Hospital, Dept. of Urology, Madrid, Spain
- V04** **Penile implant nightmare: Proximal perforation correction and glanspexy**
Authors: Simoes De Oliveira P.M., Sandul A.
Institutes: CHULN-Hospital de Santa Maria, Dept. of Urology, Lisbon, Portugal

Abstract Poster session

	Location
P01	Fertility among male cancer survivors seeking parenthood Authors: Gamidov S., Izhbaev S., <u>Shatytko T.</u> , Popova A. Institutes: V.I. Kulakov National Medical Research Center, Dept. of Andrology and Urology, Moscow, Russia
P02	Preliminary outcomes of stem cell therapy in patients with non-obstructive azoospermia Authors: Popova A. ¹ , <u>Shatytko T.</u> ¹ , Gamidov S. ¹ , Silachev D. ² , Sukhikh G. ³ Institutes: ¹ V.I. Kulakov National Medical Research Center, Dept. of Andrology and Urology, Moscow, Russia, ² V.I. Kulakov National Medical Research Center, Dept. of Cell Technology, Moscow, Russia, ³ V.I. Kulakov National Medical Research Center, Directorate, Moscow, Russia
P03	The effect of St John's Wort (<i>Hypericum perforatum</i>) on male sexual and reproductive health: A narative review Authors: <u>Bin Ofisan S.</u> ¹ , Alzahrani M. ² Institutes: ¹ Prince Sattam Bin Abdulaziz University, College Of Medicine, AL-Kharj, Saudi Arabia, ² Majmaah University, College Of Medicine, Majmaah, Saudi Arabia
P04	How do young Saudi men prefer to receive fertility information? A population: Based survey in Al Kharj Authors: <u>Bin Ofisan S.</u> Institutes: Prince Sattam Bin Abdulaziz University, College of Medicine, AL-Kharj, Saudi Arabia
P05	Vitamin E supplementation after microsurgical varicocelelectomy: Does it make sense? Authors: <u>Shomarufov A.B.</u> , Mirkhamidov D.K. Institutes: Tashkent Medical Academy, Dept. of Urology, Tashkent, Uzbekistan
P06	Multi-Incision Technique (MIT) and malleable prosthesis implantation in patients with Peyronie's Disease and severe penile shortening, with or without preoperative erectile dysfunction: A multicenter retrospective study Authors: <u>Maiolino G.</u> ¹ , Fraile Poblador A. ² , Fernández-Pascual E. ³ , Hevia Palacios M. ² , Martínez-Salamanca J.I. ¹ Institutes: ¹ The Lyx Institution, Dept. of Urology, Madrid, Spain, ² Ramon y Cajal Hospital, Dept. of Urology, Madrid, Spain, ³ La Paz University Hospital, Dept. of Urology, Madrid, Spain
P07	Endocrinological, reproductive, and ultrastructural effects of experimental unilateral cryptorchidism on the contralateral exocrine testicular function in the rabbit model Authors: Sofikitis N. ¹ , Kaltsas A. ¹ , Zachariou A. ¹ , Symeonidis E.N. ² , Giannakis I. ¹ , Takenaka A. ³ , <u>Dimitriadis F.</u> ² Institutes: ¹ Ioannina University, Dept. of Urology, Ioannina, Greece, ² Aristotle University, Dept. of Urology, Thessaloniki, Greece, ³ Tottori University, Dept. of Urology, Yonago, Japan

- P08** **A novel perspective on penile fracture etiology**
Authors: Arikan M.G.¹, Akgül B.², Arda E.²
Institutes: ¹Hatay Dörtyol State Hospital, Dept. of Urology, Hatay, Turkey, ²Trakya University School of Medicine Hospital, Dept. of Urology, Edirne, Turkey
- P09** **Women with stress urine incontinence performing pelvic floor muscle training report an improvement in their male partners' sexual lives**
Authors: Zachariou A.¹, Sapouna V.², Zachariou D.², Kaltsas A.¹, Giannakis I.¹, Dimitriadis F.³, Mamoulakis C.⁴, Dung M.⁵, Takenaka A.⁶, Sofikitis N.¹
Institutes: ¹Ioannina University, Dept. of Urology, Ioannina, Greece, ²KENTAVROS Physical Medicine and Rehabilitation Centre, Dept. of Urology, Volos, Greece, ³Aristotle University of Thessaloniki, Dept. of Urology, Thessaloniki, Greece, ⁴University of Crete, Dept. of Urology, Heraklion, Greece, ⁵Binh Dan Hospital, Dept. of Andrology, Ho Chi Minh City, Vietnam, ⁶Tottori University, Dept. of Urology, Yonago, Japan
- P10** **Presentation, imaging and fertility findings in 13 cases of confirmed Zinner syndrome**
Authors: Schirmann A.¹, Mount C.¹, Ralph D.¹, Von Stempel C.², Sangster P.¹
Institutes: ¹University College London Hospital, Dept. of Andrology, London, United Kingdom, ²Royal Free London Foundation Trust, Dept. of Radiology, London, United Kingdom
- P11** **Assessment of patient characteristics and risk factors in an andrology consultation cohort**
Authors: Mendes Andrade V., Medeiros M., Guerra J., Gil M., Veloso N., Cunha J., Silva P., Lança M., Calais F., Campos Pinheiro L.S.
Institutes: Centro Hospitalar Universitário de Lisboa Central, Dept. of Urology, Lisbon, Portugal
- P12** **Predictors of treatment response and disease progression in Peyronie's disease: A comprehensive retrospective cohort study**
Authors: Ferreira Guerra J.P., Pina J., Andrade V., Medeiros M., Cunha J., Gil M., Silva P., Lança M., Veloso N., Gomes A., Campos Pinheiro L.S.
Institutes: Centro Hospitalar Universitário de Lisboa Central, Dept. of Urology, Lisbon, Portugal
- P13** **Sleep interrupted: A case study on painful nocturnal erections**
Authors: Mendes Andrade V., Medeiros M., Guerra J., Gil M., Cunha J., Silva P., Brito Lança M., Severo L.S., Campos Pinheiro L.S.
Institutes: Centro Hospitalar Universitário de Lisboa Central, Dept. of Urology, Lisbon, Portugal
- P14** **Adenomatoid tumor of the testicle: A rare differential diagnosis**
Authors: Tiberi E., Kochergin M., Pretzer J.
Institutes: Unfallkrankenhaus Berlin, Dept. of Urology and Neurourology, Berlin, Germany
- P15** **Results of surgical treatment of recurrent urethral strictures of different localization**
Authors: Iritsyan M.M., Kotov S.V.
Institutes: Pirogov Russian National Research Medical University, Dept. of Urology and Andrology, Moscow, Russia
-

- P16** **Perineal approach in the treatment of penile urethral strictures: Functional and cosmetic outcomes of a multicenter study**
Authors: Tryfonyuk L.¹, Warner J.², Abramowitz D.³, Angulo J.⁴, Sandul A.¹, Horiguchi A.⁵, Campos-Juanatey F.⁶, Kore R.N.⁷, Palma dos Reis J.¹, Martins F.¹
Institutes: ¹School of Medicine University of Lisbon Santa Maria Hospital, Dept. of Urology, Lisbon, Portugal, ²Mayo Clinic, Dept. of Urology, Rochester MN, United States of America, ³University at Buffalo, Dept. of Urology, Buffalo NY, United States of America, ⁴Universidad Europea Universidad Europea de Madrid SLU, Dept. of Urology, Madrid, Spain, ⁵National Defense Medical College 3-2 Namiki, Dept. of Urology, Tokorozawa Saitama, Japan, ⁶Hospital Universitario Marques de Valdecilla Instituto de Investigación Valdecilla IDIVAL, Dept. of Urology, Santander, Spain, ⁷Warana Institute of Uro-Surgery, Dept. of Reconstructive Urology, Kolhapur Maharashtra, India
- P17** **Uroflowmetry is (almost) dead! Long live ANUF**
Authors: Espinosa J., Castillo D.J., Morán E.J., Bonillo M.A., Martínez-Cuenca M.E., Colet J.O., Rogel R., Broseta E., Budía-Alba A., Arlandis S.
Institutes: Hospital Universitari i Politècnic La Fe, Dept. of Urology, Valencia, Spain
- P19** **Does the testosterone level affect the outcome of urethroplasty?**
Authors: Abdelwahab M.¹, Abdullah Khedr M.², Lotfi M.A.¹, Rammah A.¹, Elkady A.¹
Institutes: ¹cairo university, Dept. of Urology, Cairo, Egypt, ²Military Medical Academy, Dept. of Urology, Cairo, Egypt
- P20** **Regenerative technologies in the prevention of recurrence of augmentation urethroplasty**
Authors: Pavlov V., Kazikhinurov R., Khasanov A., Kazikhinurov A., Kazikhinurov R.
Institutes: Bashkir State Medical University, Dept. of Urology, Ufa, Russia
- P21** **Management of urethral complications after total phallic reconstruction: A single centre experience**
Authors: Abdel-Rassoul M., El Shorbagy G., Kotb S., Alagha A., Zamel S., Rammah A.
Institutes: Cairo University, Dept. of Urology, Cairo, Egypt
- P22** **Late approach to penile trauma: Successful reconstructive surgery**
Authors: Bressan P., Alarcon Pinto J., Andrade E., Andrade C., Damiao S., Sousa C., Bucceroni V., Alarcon G.
Institutes: Hospital Santa Virginia, Dept. of Urology, Sao Paulo, Brazil
- P23** **Anterior urethral stricture treatment trends - eligibility for staged urethroplasty: An international survey**
Authors: Patino G.¹, Perez J.¹, Arenas J.¹, Nino A.², Saiibi D.², Breyer B.³
Institutes: ¹Hospital Universitario San Ignacio, Dept. of Urology, Bogota, Colombia, ²Pontifical Xaverian University, Dept. of Urology, Bogota, Colombia, ³University of California San Francisco, Dept. of Urology, San Francisco, United States of America

- P24** **Non transecting urethroplasty techniques in recurrent short bulbar urethral strictures: Observational study**
Authors: Rammah A.¹, Ghonima W.¹, Rashad A.², Zamel S.¹, Abdelwahab M.¹, Torad H.¹, Assem A.¹, Elkady A.¹
Institutes: ¹Cairo University, Dept. of Urology, Cairo, Egypt, ²Nasser institute, Dept. of Urology, Cairo, Egypt
- P25** **Three Optilume® drug-coated balloon dilations in series for panurethral stricture disease**
Authors: Jelisejevas L.A., Kink P., Tulchiner G., Rehder P
Institutes: Medical University Innsbruck, Dept. of Urology, Innsbruck, Austria
- P26** **Retrospective assessment of quality of life impact and patient-reported outcomes in urethral stricture management: Insights from a tertiary hospital in Portugal**
Authors: Ferreira Guerra J.P., Pina J., Andrade V., Medeiros M., Gil M., Cunha J., Silva P., Lança M., Gomes A., Veloso N., Pinheiro L.
Institutes: Centro Hospitalar e Universitário de Lisboa Central, Dept. of Urology, Lisbon, Portugal
- P27** **Comparative evaluation of the outcomes obtained after urethroplasty according to the different definitions of success after the procedure**
Authors: Garcia Fernandez A.¹, Campos Juanatey F.², Calleja Hermosa P.², Varea Malo R.², Alonso Mediavilla E.², Perez Gomez H.³, Sanchez Gil M.², Garcia Formoso N.², Garcia Herrero J.², Azcarraga Aranegui G.², Dominguez Esteban M.², Zubillaga Guerrero S.², Gutierrez Banos J.L.²
Institutes: ¹La Mancha Centro General Hospital, Dept. of Urology, Alcazar de San Juan. Ciudad Real., Spain, ²Marques de Valdecilla University Hospital, Dept. of Urology, Santander, Spain, ³University of Cantabria Medical School, Dept. of Urology, Santander, Spain
- P28** **Kulkarni urethroplasty vs. classical dorsal onlay buccal urethroplasty in patients with penile urethral strictures**
Authors: Gvasalia B.R.¹, Babaev M.U.², Chesnov D.A.², Gorobets Y.P.², Pushkar D.Y.²
Institutes: ¹American Hospital Tbilisi, Dept. of Urology, Tbilisi, Georgia, ²Moscow State University of Medicine and Dentistry, Dept. of Urology, Moscow, Russia
- P29** **Assessment of predictive factors for failure after direct vision internal urethrotomies for bulbar urethral strictures**
Authors: Garcia Fernandez A.¹, Campos Juanatey F.², Calleja Hermosa P.², Varea Malo R.², Alonso Mediavilla E.², Gonzalez Fernandez A.³, Garcia Formoso N.², Garcia Herrero J.², Azcarraga Aranegui G.², Dominguez Esteban M.², Zubillaga Guerrero S.², Gutierrez Banos J.L.²
Institutes: ¹La Mancha Centro General Hospital, Dept. of Urology, Alcazar de San Juan, Spain, ²Marques de Valdecilla University Hospital, Dept. of Urology, Santander, Spain, ³University of Cantabria Medical School, Dept. of Urology, Santander, Spain
- P30** **Different techniques in management of navicular fossa stricture: A single institution experience**
Authors: Eldahshoury M.Z.
Institutes: Aswan University, Dept. of Urology, Aswan, Egypt
-

- P31** **Amniotic membrane urethroplasty in anterior urethral stricture: A novel technique**
Authors: Eldahshoury M.Z., Osama A.
Institutes: Aswan University, Dept. of Urology, aswan, Egypt
- P32** **Regenerative technologies in corporeplasty with pericardial allograft in Peyronie's disease**
Authors: Pavlov V., Kazikhinurov R., Kazikhinurov A., Khasanov A., Kazikhinurov R.
Institutes: Bashkir State Medical University, Dept. of Urology, Ufa, Russia
- P33** **The comparison of a slightly modified geometrical principles based Peyronie's plaque's incision and grafting technique and the non-geometrical surgical techniques: A long-term single-centre experience**
Authors: Peciulyte G., Djakovic N.
Institutes: Moorgate Andrology, Dept. of Andrology, London, United Kingdom
- P34** **Penile prosthesis with contemporary plastic procedures in obese patients: complication and satisfaction rates in a day-case surgery setting**
Authors: Maiolino G., Fernández-Pascual E., Lledó García E., Serrano J., Balmori C., Martínez-Salamanca J.I.
Institutes: The Lyx Institution, Dept. of Urology, Madrid, Spain
- P35** **Efficacy and safety of treatment with the use of intraurethral alprostadil (Vitaros©) on demand in men with spinal cord injury and multiple sclerosis**
Authors: Thomas C.¹, Kartsaklis P.², Konstantinidis C.³, Louka G.¹
Institutes: ¹General Hospital of Corinth, Dept. of Urology, CORINTH, Greece, ²General Hospital of Patras, Dept. of Urology, PATRAS, Greece, ³National Rehabilitation Center, Urology and Neuro-Urology Unit, ATHENS, Greece
- P36** **Multi-incision technique and cavernous xenografting with penile prosthesis implant: Alternative solution for combined treatment of erectile dysfunction and Peyronie's disease**
Authors: Fiorillo A.¹, Greco I.², Hernandez Bermejo I.², Carracedo Calvo D.², Moscatiello P.², Jerez Izquierdo T.², Pereira N.², Sanchez Encinas M.²
Institutes: ¹Hospital Universitario Rey Juan Carlos - Universidad San Pablo CEU, Dept. of Urology, Madrid, Spain, ²Hospital Universitario Rey Juan Carlos, Dept. of Urology, Madrid, Spain
- P38** **An unexpected event during revision penile prosthesis: Evidence base decision making**
Authors: Buranapitaksanti D.
Institutes: Kasemrad Hospital, Dept. of Urology, Bangkok, Thailand
- P39** **Development and use of machine learning models for prediction of male sling success: A proof-of-concept institutional evaluation**
Authors: Chua M.¹, Kim J.K.¹, McCammon K.², Kim K.¹, Rickard M.¹, Lorenzo A.¹
Institutes: ¹Hospital for Sick Children, Division of Urology, Toronto, Canada, ²Eastern Virginia Medical School, Dept. of Urology, Norfolk, United States of America
-

- P40** **Management of male stress incontinence following robotic radical prostatectomy: A retrospective analysis of 326 cases at a tertiary hospital in Portugal**
Authors: Ferreira Guerra J.P., Pina J., Andrade V., Medeiros M., Gil M., Cunha J., Silva P., Lança M., Gomes A., Veloso N., Pinheiro L.
Institutes: Centro Hospitalar e Universitário de Lisboa Central, Dept. of Urology, Lisbon, Portugal
- P41** **When kegels aren't enough: A comparison of surgical and non-surgical treatments for male stress incontinence**
Authors: Shaker G., Shaker M.
Institutes: Aneurin Bevan NHS health board, Dept. of Urology, Newport, United Kingdom

P54

Is earlier better in feminizing or masculinizing surgical assignment in patients with 46,XY disorder of sex development (DSD) with 17 β -hydroxysteroid dehydrogenase type 3 deficiency?

Authors: Silveri M.¹, Spagnol L.¹, Corbi L.¹, Bizzarri C.², Lucchetti M.C.¹, Cappa M.²

Institutes: ¹Ospedale Pediatrico Bambino Gesù - IRCCS, Dept. of Surgery, Rome, Italy, ²Ospedale Pediatrico Bambino Gesù - IRCCS, Dept. of Pediatrics, Rome, Italy

P55

Surgical treatment of perineal hypospadias with complete penoscrotal transposition in DSD patients: Our experience with a "three-staged" reconstructive procedure

Authors: Corbi L., Spagnol L., Trucchi A., Lucchetti M.C., Borsellino A., Silveri M.

Institutes: Ospedale Pediatrico Bambino Gesù - IRCCS, Dept. of Surgery, Rome, Italy

P56

Initial experience with Paclitaxel-coated dilatation balloon for urethral strictures

Authors: Solà Marqués C., Vicens Morton A., Cámara Moreno C., Nohales Taurines G., Rodríguez Rodríguez A., Ramos Reina H., Cecchini Rosell L.

Institutes: Hospital del Mar, Dept. of Urology, Barcelona, Spain

P57

Primary urothelial carcinoma in distal urethral meatus

Authors: Porcel Martín F.J., Bermúdez Villaverde R.L., Díaz Naranjo S.I., Herrero López L., Yagüe Barrado M., Rodríguez Cuevas O.O., Mas Lucas R.M.A., Lahoz García C., Gallego Matey N., Moya Villalvilla I., Muñoz Delgado M.A.B., Velasco Sastre E., Sanz Sacristán J.

Institutes: Complejo Asistencial de Segovia, Dept. of Urology, Segovia, Spain

- P58** **A safe technique for correcting deformity during implantation of penile prostheses in patients with Peyronie's disease**
Authors: Gvasalia B.R.¹, Gorobets Y.P.², Babaev M.U.², Chesnov D.A.², Epifanova M.V.³, Kochetov A.G.⁴, Menshchikov K.A.⁵, Pushkar D.Y.²
Institutes: ¹American Hospital Tbilisi MSUMD, Dept. of Urology, Tbilisi Moscow, Georgia, ²MSUMD, Dept. of Urology, Moscow, Russia, ³RUDN, Dept. of Urology, Moscow, Russia, ⁴Rosbiotekh, Dept. of Urology, Moscow, Russia, ⁵L clinic, Dept. of Urology, Moscow, Russia
- P59** **Penile suspensory ligament release: efficacy and complications**
Authors: Gamidov S.¹, Shatylko T.¹, Guluzade K.²
Institutes: ¹V.I. Kulakov National Medical Research Center, Dept. of Andrology and Urology, Moscow, Russia, ²Sechenov University, Dept. of Obstetrics and Gynecology, Moscow, Russia
- P60** **Utilisation of buccal mucosa graft in the surgical treatment of Peyronie's disease**
Authors: Dmitrenko D., Georgieva R., Popov E., Bozhkov A., Slavov C.
Institutes: UMHAT Tsaritsa Yoanna - ISUL. Medical university Sofia, Dept. of Urology and Andrology, Sofia, Bulgaria
- P61** **Periurethral abscess formation - abscess drainage and phalloplasty: A case report**
Authors: Thomas C.¹, Kartsaklis P.², Konstantinidis C.³
Institutes: ¹General Hospital of Corinth, Dept. of Urology, CORINTH, Greece, ²General Hospital of Patras, Dept. of Urology, PATRAS, Greece, ³National Rehabilitation Center, Urology and Neuro-Urology Unit, ATHENS, Greece
- P62** **Recurrent penile paraffinoma treated by split-thickness skin grafting**
Authors: Murányi M., Flaskó T.
Institutes: University of Debrecen, Dept. of Urology, Debrecen, Hungary
- P63** **Single-stage or two-stage? Experience from single center for lichen sclerosus-related urethral stricture disease**
Authors: Wang Z., Waterschoot M., Waterloos M., Taily T., Lumen N.
Institutes: Ghent University Hospital, Dept. of Urology, Ghent, Belgium
- P64** **World's first known reported complete female urinary rhabdosphincter reconstruction after iatrogenic injury**
Authors: Rehder P., Kink P., Tulchiner G., Jelisejevas L.A.
Institutes: Medical University Innsbruck, Dept. of Urology, Innsbruck, Austria
- P65** **Plication surgery does not produce additional loss of length in Peyronie's disease patients**
Authors: Ongaro L.¹, Traunero F.¹, Claps F.¹, Pavan N.², Rossin G.¹, Rizzo M.¹, Trombetta C.¹, Liguori G.¹, Garaffa G.³
Institutes: ¹University of Trieste, Dept. of Urology, Trieste, Italy, ²University of Palermo, Urology Clinic, Palermo, Italy, ³St. George's University Hospital, Dept. of Urology, London, United Kingdom
- P66** **A novel triple dartous fixation in hypospadias repair**
Authors: Eldahshoury M.Z.¹, Rashed E.², Mebead A.¹
Institutes: ¹Aswan University, Dept. of Urology, Aswan, Egypt, ²Sohag university, Dept. of Urology, Sohag, Egypt
-

- P67** **Perineal carcinoma of unknown origin: First case series reported on literature of a rare entity**
Authors: Hevia Palacios M.¹, Fraile A. ¹, Maiolino G. ², Sanz Mayayo E. ¹, García-Barreras S. ¹, Fernandez-Conejo G. ¹, Lopez Curtis D. ¹, Fernandez-Mardomingo A.¹, Rodríguez-Patrón R.¹, Burgos-Revilla F.J.¹
Institutes: ¹Ramón y Cajal University Hospital, Dept. of Urology, Madrid, Spain, ²University Hospital of Perugia, Dept. of Urology, Perugia, Italy
- P68** **Experience with Fournier's gangrene in a large German urban hospital**
Authors: Kochergin M., Tiberi E., Biloruskyy R., Pretzer J.
Institutes: Unfallkrankenhaus Berlin, Dept. of Urology and Neurourology, Berlin, Germany
- P69** **Self-inflicted subtotal penis amputation: Successful restoration of anatomy and functionality**
Authors: Kochergin M.¹, Tiberi E.¹, Kuepper S.², Hartmann B.², Pretzer J.¹
Institutes: ¹Unfallkrankenhaus Berlin, Dept. of Urology and Neurourology, Berlin, Germany, ²Unfallkrankenhaus Berlin, Burn Center and Plastic Surgery, Berlin, Germany
- P70** **Follow-up results of the pedicled antero lateral thigh flap for transgender phalloplasty**
Authors: Arda E.¹, Arikan M.G.², Akgül B.¹, Top H.³
Institutes: ¹Trakya University School of Medicine Hospital, Dept. of Urology, Edirne, Turkey, ²Hatay Dörtyol State Hospital, Dept. of Urology, Hatay, Turkey, ³Trakya University School of Medicine Hospital, Dept. of Plastic and Reconstructive Surgery, Edirne, Turkey
- P71** **Follow-up results of the "modified" penile inversion vaginoplasty technique**
Authors: Arda E.¹, Arikan M.G.², Akgül B.¹, Top H.³
Institutes: ¹Trakya University School of Medicine Hospital, Dept. of Urology, Edirne, Turkey, ²Hatay Dörtyol State Hospital, Dept. of Urology, Hatay, Turkey, ³Trakya University School of Medicine Hospital, Dept. of Plastic and Reconstructive Surgery, Edirne, Turkey
- P72** **Penile Intra-epithelial Neoplasia (PeIN) positive margin in men treated with surgery for invasive Squamous Cell Carcinoma (SCC) or PeIN: Do we need to worry?**
Authors: Olaniyi P.O.O., Magalhaes A., Kalejaiye O., Dickerson D., Manjunath A.
Institutes: North Bristol NHS Trust Southmead Hospital, Dept. of Urology, Bristol, United Kingdom
- P73** **Bilateral renal-sparing surgical approach in a case of bilateral penetrating renal injury with a single bullet**
Authors: Cevik G.¹, Akgül B.², Kuvan H.C.², Akdere H.², Aktoz T.²
Institutes: ¹Sultan 1. Murat State Hospital, Dept. of Urology, Edirne, Turkey, ²Trakya University School of Medicine Hospital, Dept. of Urology, Edirne, Turkey

- P74** **Telemedicine redefines follow-up for upper urinary tract trauma patients**
Authors: Ferreira Guerra J.P., Pina J., Andrade V., Medeiros M., Gil M., Cunha J., Silva P., Lança M., Gomes A., Campos Pinheiro L.S.
Institutes: Centro Hospitalar Universitário de Lisboa Central, Dept. of Urology, Lisbon, Portugal
- V01** **Unforeseen outcome in hydrocele repair: Implications of three-piece inflatable penile prosthesis placement**
Authors: Pasyar A.¹, Megson M.¹, Tagdiwala P.¹, Kohler T.², Ralph D.J.¹, Lee W.G.¹
Institutes: ¹UCLH, Dept. of Urology, London, United Kingdom, ²Mayo Clinic, Dept. of Urology, Minnesota, United States of America
- V02** **Surgical approach of vesicourethral anastomosis stricture after radical prostatectomy and failed endoscopic management or obliterative bladder neck**
Authors: Medina-Polo J., Rayo-Radilla M., Roldán-Testillano R., Alonso-Isa M., García-Gómez B., Rodríguez Antolín A., Romero-Otero J.
Institutes: ROC Clinic and HM Hospitals, Dept. of Urology, Madrid, Spain
- V03** **Re-implantation of a hydraulic erectile prosthesis into a neophallus via bilateral inguinoscrotal approach**
Authors: von Stauffenberg F.¹, Hunziker M.¹, Eberli D.¹, Daverio P.J.², Högger D.C.¹
Institutes: ¹University Hospital Zürich, Dept. of Urology, Zürich, Switzerland, ²Daverio TRANSsurgery Group, Dept. of Reconstructive Surgery, Walchwil, Switzerland
- V04** **Penile implant nightmare: Proximal perforation correction and glanspexy**
Authors: Simoes De Oliveira P.M., Sandul A.
Institutes: CHULN-Hospital de Santa Maria, Dept. of Urology, Lisbon, Portugal
- V05** **Penile Implants Surgery**
Authors: Bayramov A.
Institutes: Buta Clinic, Dept. of Andrology, Baku, Azerbaijan
- V06** **Male-to-Female (MtoF) gender affirming surgery: M-shape neoclitrolabioplasty approach**
Authors: Lo Re M.¹, Pezzoli M.¹, Pizziconi V.², Bardina Galiana L.¹, Romano A.¹, Minervini A.¹, Morelli G.³, Cocci A.¹
Institutes: ¹AOU Careggi, Dept. of Urology, Florence, Italy, ²Ospedale Santa Maria Annunziata, Dept. of Urology, Florence, Italy, ³Casa di Cura San Rossore, Dept. of Urology, Pisa, Italy
- V07** **Recto-urethral fistula repair using gracilis muscle interposition: Complications, functional results and management of residual stress urinary incontinence**
Authors: Medina-Polo J.¹, Alonso-Isa M.¹, García-Gómez B.¹, Rodríguez Antolín A.¹, Romero-Otero J.²
Institutes: ¹Hospital Universitario 12 de Octubre and ROC Clinic, Dept. of Urology, Madrid, Spain, ²ROC Clinic and HM Hospitals, Dept. of Urology, Madrid, Spain
- V08** **Tunica albuginea flap: A modified salvage procedure for implantation of AUS in patients with fragile urethra**
Authors: Ameli G., Hübner W.A., Weil P.
Institutes: Clinic of Korneuburg, Dept. of Urology, Korneuburg, Austria
-

- V09 **Genital manifestation of Chron's disease: A surgical approach**
Authors: Sartori S.¹, Costi C.G.¹, Piasentin A.¹, Liguori G.¹, Ramella V.², Trombetta C.¹
Institutes: ¹University of Trieste, Dept. of Urology, Trieste, Italy, ²University of Udine, Dept. of Plastic Surgery, Trieste, Italy
- V11 **Step-by-Step surgical technique of penile urethroscopy**
Authors: Karapanos L.
Institutes: University Clinic of Cologne, Dept. of Urology, Cologne, Germany
- V12 **Free full-thickness skin graft from the groin for penile reconstruction after penile carcinoma surgery**
Authors: Monllor Méndez A., Amir Nicolau B.F., González de Chaves Fernández E., Carrión Valencia A., Torres León L., Clemente Graffigna R., Sotillo A.J., Díaz Mesa C., Rodríguez Talavera J., Monllor Gisbert J.S.
Institutes: Our Lady of La Candelaria University Hospital, Dept. of Urology, Santa Cruz de Tenerife, Spain
- V13 **A case of penile amputation**
Authors: Martinez M., Buban R.R.
Institutes: Jose B. Lingad Memorial General Hospital, Dept. of Surgery, Pampanga, Philippines
- V14 **PFUI management in different stages TIPS and Tricks**
Authors: Abachi A., Aljabaly M.
Institutes: Algiers centre for urology, Dept. of Urology, algiers, Algeria
- V15 **Penile fracture and urethral injury repair**
Authors: Tagdiwala P.¹, Megson M.², Pasyar A.¹, Ralph D.², Lee W.G.²
Institutes: ¹University College London, Dept. of Medical Sciences, London, United Kingdom, ²university college london hospital trust, Dept. of Andrology, london, United Kingdom
- V16 **Buschke-Löwenstein tumour of the penis managed with organ preserving surgery**
Authors: Torres Leon L.¹, Campos Juanatey F.², Varea Malo R.², Calleja Hermosa P.², Sánchez Gil M.², Zubillaga Guerrero S.², Domínguez Esteban M.², Gutiérrez Banos J.L.²
Institutes: ¹Our Lady of Candelaria University Hospital, Dept. of Urology, Santa Cruz de Tenerife, Spain, ²Marqués de Valdecilla University Hospital, Dept. of Urology, Santander, Spain
- V17 **Robotic augmentation enterocystoplasty in the treatment of neurogenic low capacity bladder with chronic indwelling suprapubic catheter: A chance to improve quality of life**
Authors: Torres Leon L.¹, Campos Juanatey F.², Sánchez Gil M.², Ballesteros Diego R.², Ramos Barselo E.², Zubillaga Guerrero S.², Domínguez Esteban M.², Gutiérrez Banos J.L.²
Institutes: ¹Our Lady of Candelaria University Hospital, Dept. of Urology, Santa Cruz de Tenerife, Spain, ²University Hospital Marqués de Valdecilla, Dept. of Urology, Santander, Spain

- V18** **Repair of coronal urethrocutaneous fistula after hypospadias surgery using PATIO technique**
Authors: Sánchez Gil M., Campos-Juanatey F., Arnáiz Jiménez F., García Formoso N., García Herrero J., Azcárraga Aranegui G., Latatu Córdoba M.A., Expósito Ibáñez E., Varea Malo R., Calleja Hermosa P., Zubillaga Guerrero S., Domínguez Estéban M., Gutiérrez Banos J.L.
Institutes: Marqués de Valdecilla Hospital, Dept. of Urology, Santander, Spain
- V19** **Penile reconstruction for congenital micropenis with the anterolateral thigh pedicled flap**
Authors: Schirmann A., Cao Y.Q., Christopher N., Ralph D., Lee W.G.
Institutes: University College London Hospital, Dept. of Andrology, London, United Kingdom
- V20** **Penile reconstruction following penile necrosis by radial forearm free flap phalloplasty**
Authors: Schirmann A., Lloyd-Williams O., Ralph D., Christopher N., Lee W.G.
Institutes: University College London Hospital, Dept. of Andrology, London, United Kingdom

Live surgery Session 1

Live surgery Session 1

**23 November
2023
08:50 - 11:10**

**Location
Chairs**

Plenary
S. Minhas, London (GB)
A. Porreca, Padua (IT)

08:50 - 11:10

OR1 - Surgery 1 - Inflatable penile prosthesis in severe Peyronie's disease

C. Bettocchi, Bari (IT)

08:50 - 11:10

OR2 - Surgery 2 - Inflatable penile prosthesis in severe Peyronie's disease

I. Moncada Iribarren, Madrid (ES)

08:50 - 11:10

OR3 - Surgery 3 - Inflatable penile prosthesis in severe Peyronie's disease

A. Cocci, Florence (IT)

Plenary Session 2

Plenary Session 2

**23 November
2023
11:10 - 11:40**

**Location
Chairs**

Auditorium
A. Muneer, London (GB)
D. Osmonov, Kiel (DE)

11:10 - 11:20

Shockwave therapy for erectile dysfunction: a critical view
P. Verze, Naples (IT)

11:20 - 11:30

The Current Role and Implications of Stem Cell Therapy in Erectile Dysfunction
F. Castiglione, London (GB)

11:30 - 11:40

The MARS study (ManAgement of pRiapiSm and its impact on outcomes: an international register): 2023 update
G.I. Russo, Catania (IT)

Live surgery Session 2

Live Surgery Session 2

**23 November
2023
11:40 - 13:10**

Location Plenary
Chairs M. Rizzo, Trieste (IT)
M. Skrodzka, London (GB)

11:40 - 13:10

OR1 - Surgery 4 - Correction of Penile Curvature with Patch
J. Torremade Barreda, Barcelona (ES)

11:40 - 13:10

OR2 - Surgery 5 - Penile implant in Transgender patient
W.G. Lee, London (GB)

11:40 - 13:10

OR3 - Surgery 6 - Correction of Penile Curvature Using The 16-DOT Plication Technique
A. Kadioglu, Istanbul (TR)

Live surgery Session 3

Live surgery Session 3

**23 November
2023
14:10 - 15:40**

**Location
Chairs**

Plenary
G. Carrieri, Foggia (IT)
V. Ficarra, Messina (IT)

14:10 - 15:40

OR1 - Surgery 7 - Buried Penis
M. Falcone, Torino (IT)

14:10 - 15:40

OR2 - Surgery 8 - Robotic BMG Ureteroplasty
A. Minervini, Florence (IT)

14:10 - 15:40

OR3 - Surgery 9 - Open Ureteric reimplant
J. Ockrim, London (GB)

Plenary Session 3

Plenary Session 3

**23 November
2023
15:40 - 16:10**

**Location
Chairs**

Plenary
E.J. Redmond, Cork (IE)
E. Fernandez Pascual, Madrid (ES)

15:40 - 15:50

Which Sling for Which Patient?
To be confirmed

15:50 - 16:00

Which AUS for Which Patient?
A. Fraile Poblador, Madrid (ES)

16:00 - 16:10

Trouble-shooting the Problematic AUS?
J. Medina-Polo, Madrid (ES)

Live surgery Session 4

Live Surgery Session 4

**23 November
2023
16:10 - 17:40**

Location Plenary
Chairs M. Waterloos, Gent (BE)
M.W. Vetterlein, Hamburg (DE)

16:10 - 17:40

OR1 - Surgery 10 - Artificial sphincter with malleable prosthesis
J.I. Martínez Salamanca, Madrid (ES)

16:10 - 17:40

OR2 - Surgery 11 – Artificial sphincter ContiReflex
K. Van Renterghem, Hasselt (BE)

16:10 - 17:40

OR3 - Surgery 12 – Virtue Sling with malleable prosthesis
V. Beatrici, Fano (IT)
M. Capece, Naples (IT)

Plenary Session 4

Plenary Session 4

**24 November
2023
08:00 - 08:30**

Location Plenary
Chairs E.C. Serefoglu, Istanbul (TR)
R. Dahlem, Hamburg (DE)

08:00 - 08:10

Complex Urethral Stricture in man
D.E. Andrich, London (GB)

08:10 - 08:20

Complex Urethral Stricture in a Woman
T.J. Greenwell, London (GB)

08:20 - 08:30

Traumatic Penile Loss
W.G. Lee, London (GB)

Live surgery Session 5

Live Surgery Session 5

**24 November
2023
08:30 - 10:00**

Location Plenary
Chairs M.R. Van Balken, Arnhem (NL)
M. Preto, Turin (IT)

08:30 - 10:00

OR1 - Surgery 13 - Dorsal Graft Urethroplasty
F. Mazzoleni, Como (IT)

08:30 - 10:00

OR2 - Surgery 14 – Complex Uretroplasty
S.C. Morgenstern, Frankfurt am Main (DE)

08:30 - 10:00

OR3 - Surgery 15 – Ventral Graft Urethroplasty
M. Waterloos, Gent (BE)

08:30 - 10:00

OR3 - Surgery 16 - Drug coated urology balloon for urethral stenosis
F. Campos Juanatey, Santander (ES)

Plenary Session 5

Plenary Session 5

**24 November
2023
10:00 - 10:40**

**Location
Chairs**

Plenary
G. Mantica, Genoa (IT)
J. Ponce De León, Barcelona (ES)

10:00 - 10:10

Troubleshooting the Trans Man in Retention
N. Lumen, Ghent (BE)

10:10 - 10:20

One Stage, Staged or Perineal Urethroscopy for Neophallus Urethral Stricture
M. Capece, Naples (IT)

10:20 - 10:30

Pan European Female Urethral Stricture
O. Kose, Sakarya (TR)

10:30 - 10:40

Regenerative Surgery: the Salamander Urological project
E. Berdondini, Turin (IT)

Live surgery Session 6

Live Surgery Session 6

**24 November
2023
10:40 - 13:00**

**Location
Chairs**

Plenary
D. Hernández Hernández, San Cristóbal de La
Laguna (ES)
B. García Gómez, Madrid (ES)

10:40 - 13:00

OR1 - Surgery 17 – Infrapubic Implant

A. Cocci, Florence (IT)

10:40 - 13:00

OR2 - Surgery 18 – Repair of Urethrovaginal fistulas

T.J. Greenwell, London (GB)

10:40 - 13:00

OR3 - Surgery 19 – Female Urethroplasty

E. Berdondini, Turin (IT)

Abstract session 1

Abstract Session 1

24 November
2023
13:40 - 14:20

Location Plenary
Chairs G. Cito, Firenze (IT)
D. Arcaniolo, Naples (IT)

- P20** **Regenerative technologies in the prevention of recurrence of augmentation urethroplasty**
Authors: Pavlov V., Kazikhinurov R., Khasanov A., Kazikhinurov A., Kazikhinurov R.
Institutes: Bashkir State Medical University, Dept. of Urology, Ufa, Russia
- P21** **Management of urethral complications after total phallic reconstruction: A single centre experience**
Authors: Abdel-Rassoul M., El Shorbagy G., Kotb S., Alagha A., Zamel S., Rammah A.
Institutes: Cairo University, Dept. of Urology, Cairo, Egypt
- P43** **International multicenter retrospective study on high-risk patients who underwent artificial urinary sphincter (AUS) Implantation with Transcorporal versus Standard technique**
Authors: Maiolino G.¹, Romero-Otero J.², Hevia Palacios M.³, Bialek L.⁴, Skrzypczyk M.⁴, Peri Cusí L.S.⁵, Costa Grau M.⁵, Medina Polo J.⁶, García-Rojo E.², Martínez-Salamanca J.I.⁷, Oliveira Curvo R.⁷, Lledó García E.⁸, Sánchez Ochoa M.A.⁸, Zucchi A.⁹, Perotti A.⁹, Moncada I.¹⁰, Zaccaro C.¹⁰, Pankaj M J.¹¹, Gómez de Vicente J.M.¹², Alonso Bartolomé M.B.¹², Fernández-Pascual E.¹², Szyperski P.¹³, Szyperski J.¹³, López D.², Fraile Poblador A.³
